IN DYNAMITE PLOT: **GRINS** AS HE PLEADS

Informer at Start of Trial of 51 Labor Leaders Acknowledges His Guilt.

WILL AID PROSECUTION.

Men. Accused of Transporting and "Planting" Explosive Arraigned at Indianapolis.

NDTANAPOLIS, Ind., Oct. 1 .- When the fifty-one dynamite conspiracy cases were called in the United States District Court to-day Ortic McManigal was immediately arraigned. McManigal, sursunded by half a dozen deputy marshals, then was led into the court-room holp American motherhood to withby the Judge's private door and placed n a chair near the bench in full view of

10sd grin. 'Do you understand the charges fainet you?" the Court asked. "I do, Your Honor," came in a clear half defiant voice from the prisoner. "Are you guitly or not guilty?" Judge

Anderson asked,
"Gullty," said McManigal,

'In each case?"

Judge Anderson said that sentence rould be suspended temporarily and he informer was led back to the Marhal's office.

atf the space, the fifty-one defendants "dynamite plots" were placed is so much yet to do." trial before Federal Judge Albert SUGGESTIONS FOR MOTHERS TO 3. Anderson to-day. Judge Anderson at 9.45 A. M. ordered called "Consolilated case No. 3, the United States s. Frank M. Ryan, et al."

Whoever participated with the Me-Namara brothers in the series of dysemite and nitro-glycerine explosions which preceded and followed the wrecking of the Los Angeles Times Building Oct. 1, 1910, when twentyone persons were killed, the Governnent hopes to disclose in the trial

which began to-day.
At the head of the list of defendasts, who thus are brought into court exactly two years after the Los Ange-

es disaster, are:
"Frank M. Ryan, President of the Inernational Association of Bridge and Structural Ironworkers. .

Ortic E. McManigal, once known a "J. W. McGraw" on the Pacific Coast. a confessed dynamiter and accomplice of the McNamara brothers, who has been kept in custody as a witness for the prosecution ever since his arrest in Detroit a year ago last April. CHARGES LINK THEM IN BIG

CONSPINACÝ. Hookin, successor of John J. MoNamara as Secretary-Treasurer of first one. he Union, whom McManigal accuses of orew," and one of the originators of the saarm clock scheme by which explosions a child and he did not wish to follow the less real naughtiness they will show were set off several hours after the

M'MANIGAL GUILTY American Wives Are Adepts In Art of Real Motherhood WHY DID YOU KISS

Direct Your Child's Will, but Don't Try to Break It," Says Mrs. Robert E. Ely-"Teach Him the Beauty of Truth, but Don't Despair if He Tell a Few Lies."

"Insist on Courtesy and Consideration for Others as the Supreme Virtues-If Spanking Has No Good Effect Don't Administer Corporal Punishment."

Marguerite Mooers Marshall. There are three perfectly good reasons why Mrs. Robert Erskine Ely should

stand the caustic criticisms of Dr. he defendants, who oved him intently. Berlin. One reason is Bobbie, another Adolph Berginsky of the University of here was no demonstration of any in and McManigal looked disapinted. Well fed and faultlessly ated, McManigal stood up at Judge are the best possible answer to Dr. iderson's order, his face spread in a Berginsky's assertion that "the American mother has not acquired the art of real motherhood, and as a consequence you have so many sickly and ill-bred

> "How do you do it?" I asked Mrs. Ely. Up went both her hands in a gesture of playful protest. She is a small woman, with individuality enough for a tion of sweetness and spiciness that re-

minds one at a ginger cookle.
"But I have not yet done it!" she wied. "I am only beginning. Bobbi my oldest, is only five years. All the Stationed within a rail in the small time I am working and planning how ourt mom where they occupied almost to help my children grow up into the right sort of men and women. So far barged with complicity in the Mo. I am not a bit discouraged, but there

FOLLOW.

However, we talked it over, and here are a few suggestions for other mothers, based on Mrs. Ely's practical experience:

Direct your child's will, but do not try to break it. Teach your shild the beauty of truth, but do not despair if he tells you a few Hee.

eration for others as the supreme Be guided by the young child's likes and dislikes in the matter of

Insist on courtesy, and consid-

food, so long as he appears to When your child to manghty,

consider the circumstances as well as the child.
"And from the very beginning,"
emphasized Mrs. Ely, "the mother
should remember that it is the environments with which she surrounds her

little ones that will make their future their ancestors. "All three of my children are adopted, 'Adopted children always turn out badly,' I was told. But when being the organizer of the "dynamiting I dared-I didn't always dare-I said to

gether in a conspiracy by an extensive correspondence from 1805 to 1811, during which time more than one hundred explosions in States scattered from Massachusetts to California occurred in works under construction by employers of non-union labor.

Fifty-four men were indicted last February, but John J. McCray, Wheeling, W. Va., never has been located and the McNamara brothers are in prison in California.

HARTFORD, Oct. 1—Mrs. Rossnna Noisen Green-Dowd, the mather of twen-

all that part of the evidence of the Pa-cific Coast explosions as pertains to the lilegal interstate shipment of explosives has been made available to District-At-torney Miller.

In the imprisonment of the Advantaria, figured out that this meant about six cents apiece per child and put Dowd on probation.

But some of the children are able to make their own living. One of the

TRANSPORTING OF DYNAMITE ON TRAINS.

Each of the thirty-two indictments returned last February contains charges against all of the defendants, and the charges are embraced in three groups.

Transporting dynamite and nitro-glycerine in passenger trains from one State
to another, as Ortic E. McManigal confessed was done when these explosives
were carried in suit cases from hiding
places at Muncie, Ind., Rochester, Tiffin,
O., and Indianapolis, to cities where
"jobs" were to be blown up.
Conspiring to vio to interstate regulations relative to explosives.
Concealing knowledge of the conspiracy or abetting the illegal transportution of explosives.

Most of the explosions of which the
government has made a record were

Most of the explosions of which the government has made a record were directed against members of the National Erectors' Association, an organization of constructors who had broken off relations with the union and were conducting "open shops." The first explosion or attempt recorded was at Miller's Falls, Mass., in the summer of 1905, and the last Oct. 18, 1911, when at 2 A. M., near Banta Barbara. Cal., thirty-nine sticks of dynamite with a fuse were found beneath a bridge just before a special train bearing President Taft r saed over. Twenty of the explosions occurred in Ohio. surred in Ohio.

I tried to remove the circumstantial

"How would you treat the untruthfu

"The average child lies quite naturally and unhesitatingly to get himself out of trouble. I do not believe that the instinct for veracity is a natural one. But for my part, I was frankly relieved at the first lie told by one of my children. It showed that the imagination was awake, and I had begun to despair of this particular child's having any imagining powers. The thing to do is to show the child the difference between the right and wrong uses of imagination, and not to think him innately deprayed, because he doesn's know without showing."

cause of the trouble."

would say that he was ungrateful the faults of all little, untrained ani-

and disgraced his bringing up?"

"Oh, yes!" they always answered.

mals, and while they must be discouraged they need not cause the loving "There you are!" said I. 'Who are mother great anxiety for the future. you, that you should lay claim to that Good manners and an unwillingness to child's gratitude for giving him what make others unhappy are the important belonged to him, a happy home, and things.

what he will some day pass on to some "I really believe that a great deal of other child? And when he is old enough to choose his own life-work, what right circumstances over which the child has have you to interfere! It is you who no control. For instance, when we lived would make of him a failure, not himi an apartment, Bobble was very
naughty indeed. The people upstairs WATCH THE EFFECT OF A GOOD and the people downstairs complained spanking.

SPANKING. "But do you believe in giving a child with a nice little garden at the back his own way in everything?" I asked. where the children spend most of their "No, indeed," replied Mrs. Ely, "I time. And Bobbie's naughtiness and even consider that there are times, with that of his brother and sister are revery little children, when corporal pun-ishment in moderation is advisable. The wrong surroundings before. I don't test of it is whether it really makes mean that they should be altogether the child behave better. If it does not excused on that account, or that I did have this effect, it simply bestializes excuse bim and should be given up. I tried

"I think that the mother should teach the child to obey her when she speaks. but, whenever possible, she should give him her reasons. She should even explain to blin her reasons for demanding prompt obedience-that she may perhaps save him from instant danger. But I like more than any good or bad traits in strong-willed children, and I am so glad all mine are that kind. The thing to do is not to break the will, and thus deand I remember so keenly the doleful stroy the child's strength of character, warnings I received before I took the but to bend it in the right direction.

"The great positive virtue to teach children is the social one, a proper consideration for the rights of others-
